# *dedication*

Mr. Thomas Miller

Dedication is only the power of making continuous efforts. The line between failure and success is so fine that we scarcely know when we pass it—so fine that we are often on the line and do not know it.

How many a man has thrown up his hands at a time when a little more effort, a little more patience, would have achieved success. As the tide goes clear out, so it comes clear in.

In life, sometimes, prospects may seem darkest when really they are on the turn. A little more persistence, a little more effort, and what seemed hopeless failure may turn to glorious success.

There is no failure except in no longer trying. There is no defeat except from within, no really insurmountable barrier save our own inherent weakness of purpose.

# In Memoriam

Edward H. Fick III  
November 10, 1955—June 8, 1973

## *He is Just Away*

You cannot say, you must not say  
That he is dead. He is just away!  
With a cheery smile and a wave of the hand  
He has wandered into an unknown land  
And left us dreaming how very fair  
It needs must be, since he lingers there.  
So think of him faring on, as dear  
In the love of there as the love here,  
Think of him still as the same, and say  
He is not dead, he is just away.

# In Memoriam

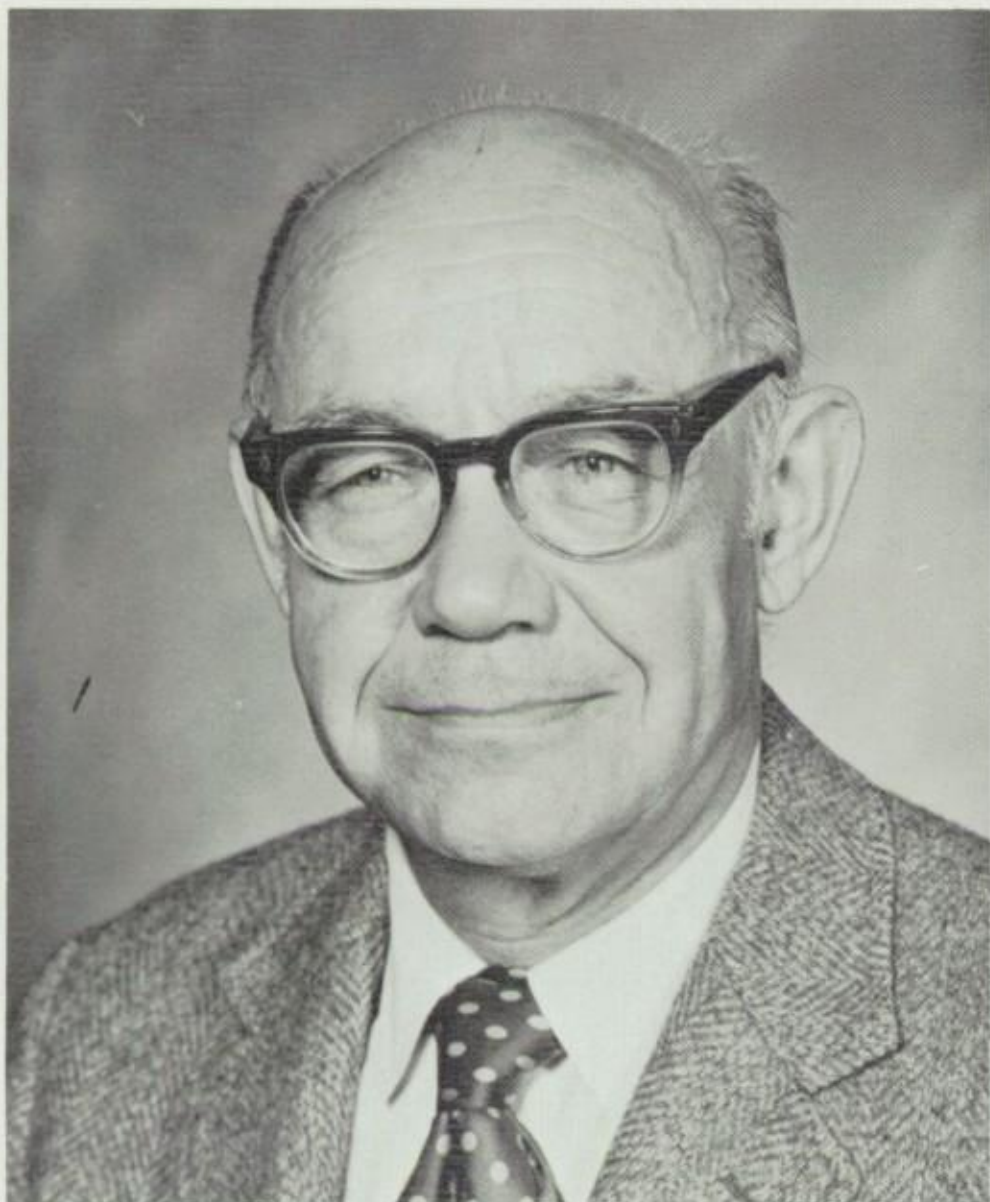

Paul F. Steinman  
April 18, 1911—April 13, 1973

With a deep sense of loss and sorrow we recognize the passing of our friend and educator, Paul F. Steinman. His firm and friendly guidance as a teacher and principal will forever linger in the hearts and minds of students and teachers who shared with him the aspirations and the challenges of the educational world. His earnest desire to provide what was best for boys and girls will long endure in our memories.

To his wife Ruth and his daughter Lucille we extend our deepest sympathy, and pray that light eternal will shine upon him.
